## Price Increase Effective January 1, 2016

To: All CP&S Channel Partners

Reference: 2016 List Price Increase

Dear Channel Partner,

Effective January 1, 2016, Crane Pumps & Systems will implement a 4% list price increase on pumps, motors, kits, accessories and spare parts with the exception of the Weinman G & K pumps & kits which will have a 6% list price increase.

Summary: 4% - All pumps, motors, kits, accessories, spare parts except for  
6% - Weinman G & K pumps & kits

All orders received before the January 1, 2016 price increase are subject to ship before January 29, 2016 or standard published lead time, whichever is later.

Channel Partner must supply documentation to their Regional Sales Manager regarding any existing projects that require price protection. This documentation must be received by December 15.

The new price sheets will be available for download at CP&S Connect by December 30, 2015. If you have questions, please feel free to contact your Regional Sales Manager or Market Manager.

We appreciate your business and look forward to a successful end to 2015.

Best Regards,
