

CELLO PRODUCTS

April 26, 2018

To: Our Valued Customers

Price Increases

Effective **Monday, May 28th 2018** Cello Products will be moving to new price sheets on the following products:

- Solder fittings including: Wrot, Cast (leaded and no lead), Cleaned and Bagged.
- Threaded Brass Fittings (Leaded and No Lead)
- Threaded brass Nipples
- Ball Valves

The increase is approximately 6% - current list divided by 0.94

Current multipliers will remain in effect.

Price sheets will be available shortly from your local representative, or by contacting Cello customer service.

Any questions or concerns feel free to contact myself or your local Cello Representative.

Thank you,
Frank Longenecker
